

## How to set up your WiFi on your electronic device

### Important Notice:

WiFi is per electronic device. Do **NOT** set up on WiFi on a device you do not want WiFi linked to. WiFi **MUST** be set up on the intended electronic device you want the WiFi associated with for the paid duration of time.

### WiFi Set up Instructions:

(May need to refresh your device if Tom Demers Property Management, LLC WiFi is not shown)

1. On your electronic device go to Settings > Wifi > Connect to WiFi
2. Look/search for Tom Demers Property Management, LLC Wifi > click connect
3. A new screen will populate. Follow directions on screen and select your desired length of time for WiFi. Credit Card or Debit Card will be needed for this step.
4. Repeat these steps as needed or when adding a new device when time has expired for WiFi access.
